

ClimSA'22 Forum Agenda

Day 1 – 26 September 2022

Morning: Physical meeting only: Launch of Pacific component of the ClimSA programme

Master of Ceremonies/Timekeeper: Vanessa Mazarese, WMO

Chair: SPREP

Rapporteur: SPREP

Time	Session Title	Description of session	Speaker	Time allocated for speaker	Location
8h00 - 9h00	Forum Check-In Complete online registration https://events.hubilo.com/climsa22-forum/home	Taumeasina Island Resort Taumeasina Island, Beach Road, Apia, Samoa Phone: +685 61000			
9h00 – 9h20	Opening ceremony	Welcome Remarks	Master of Ceremonies	5 minutes	Taumeasina Conference Room
		Prayer to bless the meeting	Pastor Kosi Latu	15 Minutes	
9h20 – 10h00	Key Address & Remarks	Keynote Address	Associate Minister for Natural Resources and Environment - Hon. Faleomavaega Titimaea Tafua	15 minutes	Taumeasina Conference Room
		Remarks by SPREP	SPREP - Easter Chu Shing	10 minutes	Taumeasina Conference Room
		Remarks by European Union	Delegation of the European Union for the Pacific - Dr Erja Askola	7.5 Minutes	Taumeasina Conference Room (recorded message)

		Remarks by OACPS	OACPS - Cristelle Pratt	7.5 Minutes	Taumeasina Conference Room
10h00 – 10h30	Traditional Ceremony	Traditional “Ava” Ceremony To mark the important occasion	Samoa Tourism Authority (STA)	30 minutes	Taumeasina Conference Room
10h30 – 10h40	Group Photo			10 Minutes	Taumeasina selected location
10h40 – 11h00	Coffee/Tea Break	Morning Tea/Media Interviews/Exploring Samoa (Information Booth set up by Samoa Tourism Authority)		20 Minutes	Taumeasina Conference Room Lobby
11h00 – 11h15	Objectives of the 2 nd ClimSA Forum	Presentation of expected outcomes for 2 nd Annual ClimSA Forum	OACPS - Dieudonne Nsadisa Faka	15 Minutes	Taumeasina Conference Room
11h30 – 13h30	Field Visit	Samoa Meteorology Division – history, services, products, and work	Ministry of Natural Resources will facilitate this tour		Mulinu'u Rd, Apia
13h45 – 15h00	Lunch	Provided by ClimSA Forum			
15h00 – 18h00	Break				

Evening: Hybrid Meeting: Overview of ClimSA Programme Status

Master of Ceremonies/Time Keeper: Vanessa Mazarese, WMO

Rapporteur: SPREP

Time	Session title	Description of session	Speaker	Time allocated for speaker	Location
18h00 - 20h15	ClimSA Programme Implementation – “State of Play”	Each ClimSA Programme partner will provide an 8-minute high level progress on the implementation of the programme including: completed	OACPS – Dr Dieudonne Faka	8 Minutes	Taumeasina Conference Room
			WMO – Lisa-Anne Jepsen	8 Minutes	Taumeasina Conference Room
			JRC – Christophe Lavaysse	8 Minutes	Taumeasina Conference Room
			EUMETSAT – Vincent Gabaglio	8 Minutes	Virtual

		and ongoing activities, expenditures, any existing or foreseen challenges	AUC – Harsen Nyambe and Jolly Wasambo	8 Minutes	Taumeasina Conference Room
		Followed by an open discussion amongst participants	ICPAC – Zachary Atheru	8 Minutes	Taumeasina Conference Room
			AGRHYMET - Seydou Traore	8 Minutes	Taumeasina Conference Room
			SADC CSC - Mathias Rabemananjara and Surekha Ramessur	8 Minutes	Taumeasina Conference Room
			ECCAS – Ngaryamngaye Semingar and Jolly Wasambo	8 Minutes	Taumeasina Conference Room
			ACMAD – Andre Kamga	8 Minutes	Taumeasina Conference Room
			CIMH – Sherri Frederick	8 Minutes	Taumeasina Conference Room
			IOC - Pr. Marimoutou /Gina Bonne	8 Minutes	Taumeasina Conference Room
			All – Discussion	30 Minutes	
20h15 onwards	Reception Dinner	Hosted by SPREP			

Day 2 – 27 September 2022

Afternoon: Physical Meeting only: Public-Private Engagement and Climate Services Tool Development

Master of Ceremonies/Time Keeper: Vanessa Mazarese, WMO

Chair: SPREP

Rapporteur: SPREP

Time	Session	Description of Session	Speaker(s)	Time allocated for speaker	Location
11h30 – 12h00	Morning Coffee	Networking session			Taumeasina Island Resort
12h00 - 13h20	Benefits of Public-Private Engagement for climate services	One-Click Climate Risk Forecasting For Decision-Makers to Achieve Proactive Hazard Mitigation: City & Electricity Company Use Cases	Sync Energy AI - Robert Kabera	20 minutes	Taumeasina Conference Room

		Strengthening of institutional capacities within the framework of public-private engagement	OTT Hydromet – Josephine Wilson	20 minutes	Taumeasina Conference Room
		Strengthening farmers’ organizations and cooperatives for adaptation & resilience to climate change & sustainable development	ACP Private Sector Development Platform - Gabriela Quiroga	20 minutes	Taumeasina Conference Room (recorded presentation)
		Maximising public-private partnerships to utilising Climate Services and its application	National Institute of Water and Atmospheric Research (NIWA) - Andrew Harper	20 minutes	Taumeasina Conference Room
13h20 – 14h00	Introduction of technical support available from global-data providers and how RCCs can benefit	Introduction of the Climate Station: presentation of the software, technical implementation, running, usage.	JRC - Christophe Lavaysse	15 Minutes	Taumeasina Conference Room
		Overview of WMO Global Data Processing and Forecasting System (GDPFS) and how it benefits RCCs	WMO – Wilfran Moufouma Okia	15 Minutes	Taumeasina Conference Room
		All – Discussion		15 Minutes	Taumeasina Conference Room
14h00 – 15h00	Lunch	Provided by ClimSA Forum			
15h00 – 15h45	Training and capacity building in RCCs	RCC Mandatory/Highly Recommended functions regarding	WMO - Wilfran Moufouma Okia	15 Minutes	Taumeasina Conference Room

		training and capacity building			
		ClimSA Capacity Building Strategy – Theory of Change	OACPS – Dr Dieudonne Faka	15 Minutes	Taumeasina Conference Room
		All – Discussion		15 Minutes	Taumeasina Conference Room
15h45 - 16h15	Designation of RCCs by WMO	Outline WMO requirements for RCC designation and process to launch the various phases of RCC implementation	WMO - Wilfran Moufouma Okia	15 Minutes	Taumeasina Conference Room
		All – Discussion		15 Minutes	Taumeasina Conference Room
16h15 – 17h15	Side Event - Sustainable observation network solutions	Knowledge sharing among stakeholders in the weather and climate value chain on their vision of a sustainable observation network, including what and who can help address their key challenges - with a view to outlining recommendations for uptake	OTT Hydromet and NOAA – Josephine Wilson and Raymond Tanabe	1 hour	Taumeasina Conference Room
17h15 – 18h00	Break before evening session				
18h00 – 19h00	Dinner - provided by OACPS				Taumeasina Island Resort

Evening: Hybrid Meeting: Communications, Knowledge Management and South-South-North Cooperation

Master of Ceremonies/Time Keeper: Vanessa Mazarese

Chair: Dieudonne Faka, OACPS

Rapporteur: SPREP

Time	Session	Description of session	Speaker(s)	Time allocated for speaker	Location
------	---------	------------------------	------------	----------------------------	----------

19h00 - 19h20	Communicating climate services and data to the last mile	RCOFs/NCOFs- provision of tailored climate products and communication of uncertainties	WMO - Wilfran Moufouma Okia	10 minutes (+10 minutes for discussion)	Taumeasina Conference Room
19h20 - 20h00	ClimSA Knowledge Management Platform Communicating Climate Services Programmes to “the general public”	Presentation of and working session on ClimSA Knowledge Management Platform Collaboration amongst Regional and Technical Partners to communicate the ClimSA programme externally	OACPS and WMO - Bernard Verschueren and Vanessa Mazarese	40 Minutes	Taumeasina Conference Room
20h00 – 20h10	South-South Cooperation	OACPS South-South and Triangular Strategy	OACPS South-South Cooperation office - Mr. Patrice Niyongabo	10 minutes (recorded presentation)	Taumeasina Conference Room
20h10 – 21h10	Disaster Risk Reduction as a cross-cutting priority sector		ACMAD - Godefroy Nshimirimana AUC - Gatkuoth Kai CAPC-AC - Mr. Elie Mbaitoubam ECCAS - Ngaryamngaye Semingar SADC - Nana Dlamini	20 minutes	Taumeasina Conference Room

Day 3 – 28 September 2022

Afternoon: Physical Meeting only: Uptake of Climate Tools

Master of Ceremonies/Time Keeper: Vanessa Mazarese

Chair: ICPAC

Rapporteur: ICPAC

Time	Session	Description of session	Speaker(s)	Time allocated for speaker	Location
11h30 – 12h00	Morning Coffee	Networking Session			Taumeasina Island Resort
12h00 – 12h30	CSIS and implementation of climate services value chain at the national level	WMO support for development and demonstration of the climate services value chain at the national level	WMO - Lisa-Anne Jepsen	15 Minutes	Taumeasina Conference Room
			ALL - Discussion	15 Minutes	Taumeasina Conference Room
12h30 - 13h00	Data Cloud/Data Sharing	Provided to support RCCs and of the JRC Big Data Analytic Platform (BDAP).	JRC - Christophe Lavaysse	15 Minutes	Taumeasina Conference Room
			ALL - Discussion	15 Minutes	Taumeasina Conference Room
13h00 - 14h00	Climate Services in the ACP regions	Representative(s) from Regional Partners and/or National Meteorological and Hydrological services to present and share best practices of existing operational climate services	AUC - Gatkuoth Kai ACMAD – Andre Kamga ANAM – Burkina Faso - Ulrich Jacques Diasso CIMH – Adrian Trotman Fiji Met Service - Bipen Prakash, INAMET- Angola - Isildo Gomes SADC CSC - Surekha Ramessur	8 Minutes per speaker	Taumeasina Conference Room

14h00-15h00	Lunch provided by ClimSA Forum				Taumeasina Island Resort
15h00-16h00	Development of tailored indices to transition data into information for decision makers	JRC proposes a large amount of derived and tailored indices to support decision makers and final users. This presentation will introduce those related to the most important sectors	JRC - Christophe Lavaysse	20 Minutes	Taumeasina Conference Room
		WMO support for development of tailored indices, in particular, GCF Climate Rationale and ClimPACT	WMO – Wilfran Moufouma Okia	20 Minutes	Taumeasina Conference Room
		Discussion	All participants	20 Minutes	Taumeasina Conference Room
16h00 - 16h40	ClimSA Socio-Economic Benefit – SEB - Tool Development	Support for the development of SEB tool & pilot country template model development to showcase the country model output	OACPS - Dieudonne Nsadisa Faka CIMH – Adrian Trotman ICPAC – David Adegu	20 Minutes	Taumeasina Conference Room
		Discussion	ALL	20 Minutes	Taumeasina Conference Room
16h40 – 18h00	Break before evening sessions				
18h00-19h00	Dinner – Provided by ClimSA Forum				Taumeasina Island Resort

Evening: Hybrid Meeting: Decision Support Systems in Regional Climate Centres (Breakout Sessions by ClimSA Programme Focus Area)

Master of Ceremonies/Time Keeper: Vanessa Mazarese

Chairs: CIMH

Rapporteurs: CIMH

Time	Session	Description of session	Speaker(s)	Time allocated for speaker	Location
19h00 – 20h00	Agriculture and Food Security / Ocean and Fisheries	Provision of climate information to rural communities for a better planning and conduct of agricultural activities	ACMAD - Dr. Andre Kamga AGRHYMET – Seydou Traore CAPC-AC - Pascal Moudi IGRI CIMH – Adrian Trotman ICPAC – Oliver Kipkogei	30 minutes divided evenly amongst speakers (+15 minutes for open discussion)	Taumeasina Conference Room

		Ocean service Present tools to improve the management of coastal and marine resources Marine weather forecast	IOC –Velayoudon Marimoutou and Gina Bonne		
20h00 – 20h30	Health		ACMAD - Andre Kamga CAPC-AC - Pascal Moudi Igri	30 minutes divided evenly amongst speakers (+15 minutes for open discussion)	Taumeasina Conference Room
20h30 – 21h00	Water and Energy		ICPAC - Dr Mohamed Hassan	30 minutes divided evenly amongst speakers (+15 minutes for open discussion)	Taumeasina Conference Room

Day 4 – 29 September 2022

Morning: Physical Meeting only: On the ground: Understanding the importance of Climate Services

Master of Ceremonies/Time Keeper: Vanessa Mazarese

Chair: SPREP

Rapporteur: SPREP

Time	Session	Description of session	Speaker(s)	Time allocated for speaker	Location
9h00-11h00	Field Visit	Alaoa East Hydro logger Station	Ministry of Natural Resources and Environment will lead the field visit.		Alaoa East, Vailima Apia

11h00 - 13h00	Travel back to Venue and Lunch provided by OACPS				Taumeasina Island Resort
13h00-15h00	Forum Closing	Development and adoption of list of recommendations and Forum Summary Report	OACPS - Dieudonne Nsadisa Faka	1 hour 30 Minutes, including open discussion	Taumeasina Conference Room
			Closing Remarks	OACPS - Cristelle Pratt	10 Minutes
		European Commission - Carla Montesi		10 Minutes	Taumeasina Conference Room
		SPREP - Tagaloa Cooper-Halo		10 Minutes	Taumeasina Conference Room
15h00 – 15h30	Afternoon Coffee				Taumeasina Island Resort
18h30 onwards	Dinner provided by ClimSA Forum				Taumeasina Island Resort
